STATINTL

Should have had someone from A/F

Need more on: Chinese National Food Corp. (RR-33)
Governmental structure

Concentrate on south of Yangtze.
Wants any individual names
Changes in admin. structure
Where possible - note areas where friction might be possible between
cadres, districts, etc.

Due date - 15 September

STATINTL

[REDACTED] emphasized portions of the request which he will not be
able to cover adequately

STATINTL

[REDACTED] asked that he use a minimum of "educated guesses" and
that where used, this limitation should be pointed out.

It developed that the major gap in ORR intelligence is the
compulsory collection requirements system - prices, quotas, etc.
